E

Our Environment

At Commit Learning SchoolHouse, meticulous care is taken in every detail to ensure optimal learning environment for our students.

Food & Nutrition

By incorporating foods from the different food groups into every meal, we ensure that every student at Commit Learning SchoolHouse has a well-rounded and healthy diet.

Our Curriculum

At Commit Learning SchoolHouse, we believe in first nurturing a love of learning in every child that will pave his or her journey towards academic excellence and beyond.

Our Staff

At Commit Learning SchoolHouse, it's our top priority to ensure that every child's mind is nurtured by the most qualified and dedicated teachers

Safety & Security

Safety and security at our Centre are of utmost importance. All our teachers are first aid trained and are familiar with emergency
