# Use of descriptors for the assessment of learning outcomes

	Accomplished
	Competent
	Developing
	Beginning

- Parents may make use of this qualitative feedback to complement their understanding of their child's progress such as areas of strength or growth with the students' returned files and work.
- The descriptors also help shape conversations between parents and child or parents and teachers when discussing on areas for growth.

# Programmes & Events

## 1. Reading Programme

- Class library
- School library visits
- In-class guided reading activities

## 2. Mother Tongue Fortnight activities (Term 2)

## 3. Internal/External competitions

# What you can do to help your child

- Create a bilingual environment at home. Make a conscious effort to communicate with your kids in both English & Mother Tongue language (MTL)
- Encourage your child to speak in his/her MTL every day, especially to family members.
- Check your child's work and progress regularly, talk about what they have learnt in school
- Associate MTL learning with something that's fun: use flashcards, games, songs, dance, watch videos, listen to radio, etc.
- Read MTL stories to them; bring them to the public library regularly and ensure that they borrow MTL books as well.
