Family Household Chores Card

As part of the Values-in-Action programme, we have planned for an activity to encourage our pupils to perform family household chores at home. Through this activity, we hope to instill in our pupils, care for the family as well as nurture their sense of responsibility. Your child would have received a "2018 Family Household Chores Card" for him/her to indicate the completion of various family household chores. We seek your involvement and partnership in this activity by endorsing on the boxes for the family household chores completed by your child. Pupils could perform the family household chores over the duration of the March school holidays. Pupils have also been encouraged to colour and decorate their cards before submission to their teachers.
