

Parent Support Group @ Endeavour Primary School

Why join PSG?

The Parent Support Group (PSG) is a great opportunity for us to be closer to our children, understand them better, and help them in their education journey. Our children also benefit when we are more active in their school environment. They tend to:

- show more positive attitudes
 - have better school attendance and complete homework more consistently
 - be able to bridge the cultural gap between school and home
 - be less anti-social and less prone to behavioural issues
-

- 

Contributing to the School

a) Time

- We can volunteer our time to design and conduct the school's programmes and events. Supportive PSG members can help to make the school a safe place for our children to learn in, making school life more vibrant and caring.

b) Talent

- We can volunteer our expertise, talents, individual interests or personal networks. In this way, parents can significantly expand the pool of help available to the school and the PSG.
- 

c) Thoughts

- We can brainstorm and contribute constructive feedback and ideas to improve the school and PSG.

The slide features a light blue background with several stylized autumn leaves scattered around the text. There are green leaves in the top-left and bottom-right corners, and orange and yellow leaves in the top-right and bottom-left corners. The text is centered and reads:

Parents are the ultimate role models for children. Every word, movement and action has an effect. No other person or outside force has a greater influence on a child than the parent!
