Letter from the Principal

4 January 2019

Dear Parents

We are pleased to warmly welcome everyone to the start of the new school year at Endeavour Primary in 2019. This includes receiving our fresh new cohort of eight classes of Primary 1 students, while the rest of our students progress to the next level in school. As with each New Year, we believe that the coming year will be one filled with new opportunities and experiences for our students to grow and learn. We look forward to providing each student with an enriching and holistic education at Endeavour this new year.

Pupil's Handbook

All pupils have been given a copy of the pupil's handbook. The handbook contains important and useful information for students and parents. Please note that the handbook also serves as a channel for communication between parents and teachers and as a diary for pupils to record homework and instructions.

Temperature-Taking Exercise (Monday, 7 Jan)

We will be conducting a temperature-taking exercise on Mon, 7 Jan. This is an important exercise to ensure that our health measures are in place and that we are prepared to manage health situations. We require all staff and students to participate in the exercise on that day.

All P2 to P6 students would already have an Oral Digital Thermometer (ODT). Please ensure that your child brings his/her working ODT to school. All Primary 1 pupils will be issued a new personal ODT and the teachers will teach them on use and care of their ODT.

Classroom Decoration (Friday, 11 Jan, 2 p.m.)

As in previous years, we would like to invite parents to assist the Form Teachers to create a conducive and inviting classroom environment for teaching and learning. Please inform the Form Teacher of your child, if you would be able to join us for classroom decoration on Fri, 11 Jan, at 2 p.m. You could drop a note in your child's handbook or send an email to your child's Form Teacher.
