Dear Parents/Guardians

Key Events in Term 3

Appended are the key events for our school in Term 3. For parents/guardians who have not downloaded the Parents Gateway (PG) app, please refer to the "Principal's letter" dated 2 July 2019 for more information as to how you can download the app and activate it. With effect from **9 July 2019**, we will be disseminating information and school consent forms via the PG so it would be much appreciated if you can download and activate the app as soon as possible so that you will not miss out on the e-announcements and consent forms. With PG, you no longer have to worry about hard copies of letters/consent forms going missing and consent for school activities can be given electronically at any time.

Together we endeavour all the way!

Mr Thomas Koh
Principal
