Letter from the Principal

9 April 2020

Dear Parents

Appended are announcements pertaining to school activities and programmes for April and early May 2020.

1. Full Home-Based learning (HBL)

In line with the Multi-Ministry Taskforce's latest efforts to further enhance safe distancing measures, schools will step up their safe distancing measures. From Wed 8 April 2020, all MOE schools will shift to full Home-Based Learning (HBL) till Mon 4 May 2020. If all goes well, school will resume on Tue 5 May 2020.

2. Updating of contact particulars of parents/guardians

Parents/Guardians are requested to update the school of your contact particulars, especially for mobile numbers. Sometimes, we come across some parents/guardians who have more than two mobile numbers in our system but all are no longer in use because they could have switched to different TELCOs and did not retain the original number. It is very important that we have your updated mobile number so that we can call you during occasions whereby it is very urgent, especially when it comes to the well-being of your child/ward.

3. Frank Copper Sands Award 2019

We would like to congratulate our Cub Scouts and teachers i/c of Scouts as our school has been awarded the Frank Cooper Sands Silver Award. The Award was created in 1995 and named after the father of Scouting in Singapore. The Frank Cooper Sands Award is awarded annually to units that display high standards of excellence and there are three levels: Bronze, Silver and Gold. Well done, our Cub Scouts!

4. Distinguished Chinese Language Teachers Award 2020

Organised by Lianhe Zaobao and ZBSchools.sg, the awards aim to give due recognition to deserving Chinese Language teachers who have shown exemplary efforts towards the teaching of Chinese Language and culture. Nominations can be done online at chintaw2020.sphevents.com.sg.

5. New feature for Parents Gateway (PG) – Customised Questions in Consent Forms

Parents are advised to update the PG app regularly so that you can use the latest features.

This enhancement to Consent Forms will allow schools to obtain relevant, comprehensive information to assist in planning.

For Parents:

Custom Questions in Consent Forms – From the mobile app, parents will see the custom questions posted by the school and give their responses in the consent form. For this example, the school would like parents to select the T-shirt size for their Sports Day, select the colour and to inform teachers if their child has any allergy to clothing material.
